## Highlights

Take Us With You – Pen Edition!

We know our Southwest London colleagues work hard year-round and with summer upon us as we head off on our Summer holidays, why not take a little piece of SWL with you?

We're launching the "Where's Our Pen?" summer challenge!

Simply pack one of our branded pens, you might have pickled one up at one of our in person event recently, in your hand luggage, beach bag, backpack (or pocket!) and snap a photo of it in your holiday setting. Whether it's by the pool, at the top of a mountain, on a sandy beach, or even just in the service station on the M5 - we want to see it!

The more creative, scenic, or hilarious, the better. Bonus points if the pen's doing something really adventurous (think: zip-lining, paddleboarding, sunbathing in sunglasses...). Email to them us at [office.swlth@nhs.net](mailto:office.swlth@nhs.net)

We'll feature our favourites in a post summer newsletter - and there might even be a small prize for the best pic...

Let the pen adventures begin!

## Featured Event

### South West London Primary Care Educators' Conference

We're delighted to invite you to this year's SWL General Practice Educator Conference, a day designed to inspire, connect, and re-energise everyone involved in education across primary care.

**This year's theme explores challenges, leadership and laughter — with speakers from both general practice and aviation offering fresh perspectives and practical tools to support your work as an educator.**

**With opportunities to: Hear from leaders in healthcare and beyond, explore how leadership and humour can enhance clinical education, reflect on your own educator journey and Connect with colleagues across the region.**
